What is Avia Masters?

Avia Masters is an online gambling establishment game developed within the popular "crash" and "multiplier" categories. Unlike standard slots that rely entirely on predetermined paylines and fixed symbol mixes, Avia Masters puts the player in control of a virtual airplane's journey.

The core premise is simple: an aircraft takes off, and as it climbs higher into the stratosphere, a multiplier coefficient boosts in real-time. The main objective for the player is to cash out their payouts before the plane undoubtedly crashes, flies away, or suffers an in-game malfunction. If the player cashes out in time, they win their initial stake multiplied by the present coefficient. If the plane crashes before they squander, the bet is lost.

Secret Characteristics of Avia Masters
