Pro-Tips for Maximizing Your Score in 7 Days

- **Spelling counts (United States vs. UK English):** Stick to one spelling convention throughout the test (either American or British). Mixing them up can trigger spelling errors in the automated scoring system.
- **Handle your time ruthlessly:** The Reading area is notoriously challenging to complete on time. If stuck on a hard multiple-choice question, guess the response rapidly and carry on to safeguard time for higher-value fill-in-the-blank questions.
- **Capitalization and Punctuation Matter:** In writing tasks, forgetting a duration at the end of a sentence or missing a capital letter at the start results in automated point reductions.
