What is the Big Bass Crash Game?

At its core, **Big Bass Crash** is an online social multiplayer gambling establishment game constructed on the burgeoning "crash video game" mechanic (popularized by titles like *Aviator* and *Spaceman*). Instead of matching symbols across a grid, gamers put a wager and view a fisherman embark on a boat ride. As the boat progresses, a multiplier starts ticking upward from 1.00 x.

The objective is wonderfully simple yet nerve-wracking: **squander your earnings before the boat crashes (or the net breaks)**. If you squander in time, you increase your bet by the current worth. If you wait too long and the crash happens before you hit the button, your catch-- and your stake-- is lost to the deep blue sea.
