While the system is known for being comprehensive and well-organized, it can feel intimidating for newcomers. This thorough guide breaks down everything an applicant needs to understand about the driving license application procedure in Poland, from preliminary paperwork to passing the final state examination.

1. Who Can Apply for a Driving License in Poland?

Before delving into the paperwork, applicants need to ensure they meet the legal residency and age requirements set by Polish law.

- **Residency Requirement:** Foreign nationals should live in Poland for a minimum of **185 days** annually due to either short-lived or long-term house authorizations, or hold a valid student status (minimum 6 months of research studies).
- **Age Requirements:** The minimum age depends upon the vehicle classification. For a basic cars and truck (Category B), the candidate must be at least **18 years of ages** (though training can begin 3 months prior to turning 18).

2. Step-by-Step Application Process

The journey to getting a Polish driving license follows a strict series. Missing out on a single step can cause discouraging hold-ups.

Action A: Obtain a PESEL Number and Medical Check

Every applicant must have a Polish **PESEL number** (Personal Identification Number). Once obtained, the applicant must visit an authorized occupational medicine doctor for a brief medical evaluation. The physician checks vision, hearing, and general health to release a medical certificate verifying physical fitness to drive.

Step B: Get a Profil Kandydata na Kierowcę (PKK)

The **PKK (Driver Candidate Profile)** is an electronic identification number required before beginning any driving lessons. To get a PKK, the applicant needs to send specific files to the regional district workplace (*Starostostwo Powiatowe*, City Hall *Urząd Miasta*, or District Office *Urząd Dzielnicy* in Warsaw).

Needed Documents for PKK:

- Completed application type (available at the workplace or online).
- The medical certificate (Step A).
- One current photo (3.5 cm x 4.5 cm).
- Legitimate ID (Passport or Residence Card *Karta Pobytu*).

- Confirmation of legal residence in Poland (e.g., lease agreement, student ID, or house permit).

Action C: Complete State-Approved Training

With the PKK number in hand, the applicant enrolls in a state-approved driving school (*Ośrodek Szkolenia Kierowców* - OSK). For a standard Category B license, the basic course includes:

- **30 hours of theoretical classes** (traffic rules, very first help, mechanics).
- **30 hours of practical driving lessons** behind the wheel with a trainer.

Note: While theoretical classes can often be completed in English or via self-study (with the exam taken in English or Polish), practical lessons are typically conducted in kartaxpresspoland.com Polish unless the applicant discovers a specific multilingual instructor.

Step D: Pass the Internal Exams

Upon completing the course, the driving school administers internal theoretical and useful examinations. Passing these is mandatory to unlock the official state tests.

3. Summary of Driving License Categories in Poland

Poland aligns its license categories with European Union standards. The table below outlines the most typical categories, minimum age requirements, and what vehicles they allow you to drive.

Classification Minimum Age Description/ Vehicles Permitted **AM** 14 years Mopeds and light quad bikes (style speed not exceeding 45 km/h). **A1** 16 years Motorcycles with engine capability as much as 125 cm three and power up to 11 kW. **A2** 18 years Bikes with power approximately 35 kW. **A** 24 years (or 20 if holding A2 for 2 years) All motorbikes without power limitations. **B 18 years Motor automobiles with a maximum licensed mass not going beyond 3,500 kg, developed for no greater than 8 travelers plus the chauffeur (basic cars).
