The Dark Side: Unregulated Online "Vendors"

A concerning trend on the web includes illicit sites, social networks groups, and messaging channels marketing themselves as a "Belgium driving license vendor." These operators claim they can supply a genuine, registered Belgian driver's license without the requirement for tests, lessons, or even legal residency status-- frequently promising delivery within a matter of days for a hefty fee.

How the Scam Works

- **Financial Extortion:** Victims are asked to pay substantial upfront charges through cryptocurrencies, wire transfers, or gift cards. When paid, the "vendor" normally disappears or requires additional "customs" or "processing" costs.
- **Counterfeits:** If a physical card is delivered, it is generally an unrefined forgery that will easily fail UV light and microscopic evaluations by police.
- **Database Fraud Claims:** Scammers frequently declare they have "expert contacts" who can insert your details directly into the main Belgian driving database (DIV - *Direction pour l'Immatriculation des Véhicules*). This is a technical impossibility for external actors due to multi-layered cybersecurity procedures.

Crucial Warning: Purchasing, attempting to acquire, or holding a deceitful motorist's license is a severe crime in Belgium. It can result in heavy fines, immediate deportation for non-EU nationals, and possible jail sentences.
