- Will the door sit in direct sun most of the day?

- Has rust been a problem before, or is the entry exposed to moisture?
- Is low maintenance a priority?
- Is security a bigger concern than appearance or long-term finish stability?
- Is the current frame in good condition?

The right answer depends less on the showroom sample and more on how the door will actually live on your house.

Dallas Windows & Doors 2021 Cockrell Ave, Dallas, TX 75215

When you are replacing a front door, it helps to evaluate the opening, the weather exposure, and the finish package as a single project.
