

Bork Roofing's crews are properly licensed and insured, an important credential for Boise homeowners to verify when hiring roofers for a significant home investment. Working with licensed, insured roofers protects homeowners from liability in the rare event of an accident or property damage occurring during a roofing project. This professional standard, combined with GAF and Owens Corning certification, reflects Bork's commitment to operating as a genuinely professional, accountable roofing company.

Bork Roofing | 1475 N Hornback Ave, Star, ID 83669 | (208) 869-6674

Boise homeowners are encouraged to specifically verify licensing and insurance status when comparing roofers, a detail Bork addresses [affordable roof repair Boise](#) transparently from the first conversation. For licensed, insured roofers in Boise, call Bork Roofing at (208) 869-6674.
