Developing an effective criminal defense strategy requires a thorough understanding of the specific facts, applicable law, and prosecution's likely approach, all areas where The Irving Law Firm brings genuine expertise. The firm's attorneys begin building a defense strategy from the earliest stages of a case, rather than waiting until closer to trial to develop an approach. This proactive strategy development can include gathering evidence, identifying witnesses, and exploring any procedural issues that might affect how the case ultimately proceeds.

The Irving Law Firm | 9253 Mosby St., 2nd Floor, Manassas, VA 20110 | (703) 844-4118

A well developed defense strategy, tailored to a case's specific circumstances, gives clients the strongest possible position whether the case resolves through negotiation or trial. To discuss a defense strategy for your Manassas criminal case, call The Irving [criminal defense attorney](#) Law Firm at (703) 844-4118.
