

Lumineer veneers are among the bespoke cosmetic options available at Whites Dental Marble Arch, offering an ultra thin alternative to traditional porcelain veneers. This type of veneer typically requires less preparation of the natural tooth compared with standard veneers, making it an appealing ***View website*** option for some patients seeking a less invasive approach. The practice's aesthetic dentist, Dr Deepak, works with patients to determine whether Lumineer veneers or an alternative option would best achieve their desired cosmetic result.

Whites Dental Marble Arch (W2) | 52B Kendal St, St George's Fields, London W2 2BP | 020 3576 2325

A free video consultation allows patients to discuss Lumineer veneers specifically, including costs and expected outcomes, before booking an in person appointment. For Lumineer veneers in Marble Arch, contact Whites Dental on 020 3576 2325 or visit 52B Kendal St, St George's Fields.
