FAQ About Dumpster Rental

How long can I keep a rented dumpster?

Most dumpster rental companies in Columbus, OH allow rentals for a period of 7 to 14 days. However, specific rental terms can vary, so it's important to confirm directly with the rental company regarding any extension options or additional fees.

What size dumpster do I need for a home renovation?

For a home renovation project, a 10 to 20-yard dumpster is generally recommended. A 10-yard dumpster is suitable for small projects, while a 20-yard can accommodate larger renovations, such as remodeling multiple rooms or significant cleanouts.

What items can I throw in a dumpster?

You can typically dispose of materials like household junk, furniture, and construction debris in a dumpster rented in Columbus, OH. However, hazardous materials like paint, batteries, and chemicals are usually prohibited, so check with your rental provider for specifics.

Do I need a permit for dumpster rental in Columbus, OH?

In many cases, a permit is required for placing a dumpster on the street or public property in Columbus, OH. It's advisable to check with local regulations and your rental company to ensure compliance and avoid potential fines.
