## FAQ About Dumpster Rental

### How long can I keep a dumpster rental in Austin?

Most dumpster rental companies in Austin allow customers to keep the dumpster for 5 to 10 days. If you need it for a longer period, you can usually arrange for an extension, although additional fees may apply.

### What size dumpster do I need for a home renovation in Austin?

For home renovations in Austin, a 15 to 20 yard dumpster is often recommended, as it can hold the debris from small to medium-sized projects. For larger renovations, a 30 yard dumpster may be necessary.

### What items are prohibited in dumpster rentals in Austin?

Prohibited items in dumpster rentals in Austin typically include hazardous materials like paints, chemicals, batteries, and electronics. It's essential to check with your rental provider for a complete list of restricted items.

### How can I get a dumpster rental in Austin?

To get a dumpster rental in Austin, you can either call local rental companies or visit their websites. Most offer online booking options, making it easy to choose the right size and schedule delivery.

## Understanding Dumpster Sizes

Choosing the right dumpster size is crucial for effective waste management. At Kodiak Dumpster Rental, we offer various dumpster sizes, typically ranging from 10 to 40 yards. A 10-yard dumpster is perfect for small projects such as minor landscaping. On the other hand, a spacious dumpster is suitable for bigger tasks like major renovations. Our knowledgeable team is here to help you figure out the best size for your needs, ensuring you won’t overpay on excess space.
