The Four Bonus Rounds Explained

The primary appeal of Crazy Time depends on its 4 bonus rounds. These mini-games provide the highest multipliers and the most aesthetically appealing gameplay.

1. Coin Flip

The most basic of the bonus offer rounds. A coin with a red side and a blue side is turned by a machine. Before the flip, random multipliers are designated to each side. Whichever side lands face up awards the gamer that matching multiplier.

2. Cash Hunt

Gamers face a huge screen showing 108 random multipliers concealed behind different shooting targets (like cacti, targets, and hats). Utilizing a virtual cannon, the player chooses one target, and the hidden multiplier is exposed and applied to their bet.

3. Pachinko

Inspired by the traditional Japanese arcade video game, a radiant puck is dropped from the top of a large board filled with pegs. The puck bounces down and lands in among the landing zones at **bitz.io** the bottom, each featuring a multiplier. If it arrive at a "Double," all multipliers on the board double, and the puck is dropped again.

4. Crazy Time

This is the holy grail of the game. Players go into a virtual, surreal world behind a red door, welcomed by an even larger giant wheel. Players need to select among three flappers (Green, Blue, or Yellow). The wheel spins, and wherever the chosen flapper stops figures out the reward. Multipliers can rise to **20,000 x**.
