The Mara is divided into distinct photographic zones. The Musiara and https://masaimarasafaripackages.net/budget-safari/ Sekenani areas deliver classic lion and cheetah scenes on open grass. The Mara river line is for crossings and hippo.

The Talek area is strong for leopard in riverine forest. Northern conservancies offer off-road access and night drives, which the reserve prohibits.

Plan around light: two drives daily, with midday for travel or rest. Avoid chasing sightings that require racing other vehicles. Work with a guide who understands positioning and patience. Photographic itineraries are at %LINK%.
