What is Avia Masters?

Avia Masters is a contemporary, aviation-themed multiplier game developed by BGaming. Unlike standard slots where outcomes are determined solely by static paylines, Avia Masters positions the player in the pilot's seat of a high-flying airplane.

As the airplane ascends into the stratosphere, a multiplier boosts in real-time. The objective is simple yet awesome: cash out your earnings before the airplane runs out of fuel, takes off, or flies away. If the aircraft crashes before a cash-out is executed, the stake is lost. This mix of suspense, speed, and real-money stakes has actually made it a favorite amongst thrill-seekers.
