

Basement waterproofing and foundation repair often go hand in hand, and JLB Basement Waterproofing & Foundation Repair LLC offers both services together for Des Moines homeowners facing combined issues. Foundation settling can create the very cracks and gaps that allow water intrusion, meaning a purely cosmetic waterproofing fix may fail if the underlying structural issue is not also addressed. JLB's team assesses whether a basement moisture problem is connected to foundation movement, [Basement Waterproofing JLB Basement Waterproofing & Foundation Repair LLC](#) recommending piling or other structural repairs alongside waterproofing when needed.
