How to Plan Your Portable Toilet Rental

Planning for portable toilet rental near Pittsburgh involves a few key steps to ensure that you meet all your needs effectively. Start by determining the number of guests you expect, as this will influence how many units you need to book. As a general rule of thumb, you should plan for one portable toilet for every 50 guests at your event. Next, consider the duration of the event; longer events typically require additional units. Lastly, don't forget to factor in any special needs, such as ADA-compliant units for guests with disabilities. Contact TitanLux Toilet Solutions for assistance in estimating the right amount of facilities for your event. Our team is here to help every step of the way.
