FAQ About Dumpster Rental Service

What is the average cost of dumpster rental in Lakeland, FL?

The average cost of dumpster rental in Lakeland, FL typically ranges from \$300 to \$500 for a week, depending on the size of the dumpster and the type of waste. Prices may vary based on local landfill fees and rental company policies.

How long can I keep a rented dumpster?

Generally, dumpster rental companies in Lakeland, FL allow you to keep the dumpster for 5 to 10 days. Extensions may be available but can incur additional fees, so it's best to check with the rental service for specific terms.

What size dumpster do I need for a home renovation?

For home renovations, a 10 to 20-yard dumpster is usually sufficient. A 10-yard dumpster is ideal for smaller projects, while a 20-yard can handle larger renovations, including significant debris and waste.

What items are not allowed in a dumpster rental?

Commonly prohibited items in dumpster rentals include hazardous materials, electronics, tires, and certain appliances. Always check with your rental service for a complete list of unacceptable items to avoid extra charges.

Can I place a dumpster on the street in Lakeland, FL?

Yes, you can place a dumpster on the street in Lakeland, FL, but you may need a permit from the city, especially if it obstructs traffic. Checking with local regulations prior to placement is recommended.

Convenience at Your Fingertips

Our Lakeland Dumpster Rental Service is all about ease. You can readily request a dumpster by calling Chunk the Junk Dumpster Rentals or using our online platform. We offer a range of sizes, from compact containers for light cleanups to larger options for more extensive projects. Our friendly staff will help you determine the right size and type of dumpster based on your specific needs, ensuring you are billed for what you need.

Environmentally Responsible Disposal

One of the key aspects of our service is our commitment to eco-friendly practices. We believe it's important to reduce our environmental impact, and we take pride in our recycling initiatives. Our team sorts through the waste collected in our dumpsters to increase the amount of material that can be recycled or reused.
