The Secret Sauce: The Top Slot

Before every spin of the main wheel, a two-reel **Top Slot** spins all at once above the main game view.

- Reel 1 displays among the betting sections (a number or a benefit video game).
- Reel 2 shows a multiplier (ranging from 2x approximately 50x).

If the horizontal reels line up to form a match in between the bet segment and the multiplier, that multiplier is used to that specific sector for the upcoming spin. If the wheel arrive at that sector and triggers a win (or a benefit round), all payments or bonus multipliers are quickly improved by that value. This is where Crazy Time really measures up to its name, enabling huge payouts on even the tiniest bets.

Dive Into the Four Crazy Time Bonus Rounds

The main reason players flock to Crazy Time is the 4 interactive bonus offer games. When the wheel stops on a reward section, gamers who positioned a bet on that sector are carried from the primary studio into a spectacular augmented-reality mini-game.

1. Coin Flip

- **Frequency:** 4 sectors on the wheel
- **Gameplay:** An easy heads-or-tails video game. The host presses a button to flip a coin that has a red side and a blue side. Each side is assigned a random multiplier before the flip. Whichever color lands face up wins for the gamers. If the multipliers are low, a "Rescue Flip" may periodically be triggered.

2. Cash Hunt

- **Gameplay:** Players face a massive screen including a shooting gallery filled with 108 random multipliers hidden behind different signs (such as a cactus, target, or chef's hat). A countdown begins, and gamers should utilize their cursor (or touchscreen) to intend and fire at the symbol they think conceals the greatest multiplier. When the timer runs out, all players see what lagged their chosen target.

3. Pachinko

- **Frequency:** 2 sections on the wheel
- **Gameplay:** Inspired by the standard Japanese arcade video game, Pachinko features a massive wall filled with physical pegs. The host drops a glowing puck from the top, and it bounces randomly down the board up until it lands in among the multiplier slots at the bottom.
- **Special Feature:** If the puck lands in a **"DOUBLE"** slot, all multipliers at the bottom of the wall double, and the host drops the puck once again, escalating the possible wins quickly.

4. Crazy Time

- **Frequency:** 1 section on the wheel
- **Gameplay:** The holy grail of the game. The host opens a red door, walking the player through a surreal, Alice in Wonderland-style virtual world including a colossal 64-segment wheel.
- **How to Play:** Players select one of 3 flappers (Green, Blue, or Yellow). The wheel is spun, and whatever multiplier the chosen flapper points to is awarded. Much like Pachinko, this wheel includes **"DOUBLE"** and

"TRIPLE" segments, which can press the optimal prospective multiplier as much as a shocking 20,000 x!

Tips and Strategies for Playing Crazy Time
