What is Big Bass Crash?

At its core, **Big Bass Crash** is an online casino video game developed by Pragmatic Play that runs on the "crash" video game mechanic (comparable to titles like *Aviator* or *Spaceman*). Rather of spinning reels to match signs on paylines, gamers bank on an intensifying multiplier represented aesthetically by a net cast from a boat into the water.

As the net sinks much deeper and brings up bigger catches, the multiplier increases. The objective is basic: squander before the net breaks or the fish escapes. If gamers squander in time, they win their stake increased by the present value. If the game "crashes" before they cash out, the bet is lost.
