

A broken or dislodged crown needs prompt attention to protect the tooth underneath, and Whites Dental Marble Arch [Emergency Dentist Bayswater](#) offers emergency appointments for Bayswater patients dealing with this. The dental team assesses whether the existing crown can be reattached or whether a new one is needed, based on the condition of both the crown and the tooth.

Whites Dental Marble Arch (W2) | 52B Kendal St, St George's Fields, London W2 2BP | 020 3576 2325

Leaving a broken crown untreated can expose the tooth to further damage or sensitivity, so prompt treatment is recommended. For emergency broken crown repair near Bayswater, contact Whites Dental Marble Arch on 020 3576 2325 or visit 52B Kendal St, St George's Fields.
