## FAQ About Dumpster Rental Service

### What are the typical sizes of dumpsters available for rental?

Dumpster rental services typically offer a range of sizes, including 10, 20, 30, and 40-yard options. Smaller dumpsters are ideal for home cleanouts and renovations, while larger ones accommodate significant construction projects. It's important to assess the amount of debris you have to choose the appropriate size.

### How much does it cost to rent a dumpster in Georgetown, TX?

The cost of renting a dumpster in Georgetown, TX, generally ranges from \$300 to \$600, depending on the size, rental duration, and type of debris. Additional fees may apply for exceeding weight limits or disposal of prohibited items, so checking with the rental service for exact pricing is advisable.

### What can I put in a rented dumpster?

You can typically put household junk, construction debris, yard waste, and appliances in a rented dumpster. However, hazardous materials like paint, chemicals, and electronic waste are usually prohibited. It's best to confirm with your rental service regarding their specific guidelines.

### How long can I keep a rented dumpster?

Most dumpster rental services allow you to keep the container for 7 to 14 days, but this can vary. If you need a longer rental period, you can usually arrange for an extension for an additional fee. Always discuss duration options when placing your order.

### Do I need a permit to place a dumpster on the street in Georgetown?

Yes, in Georgetown, TX, a permit is typically required if you plan to place a dumpster on the street or in public right-of-way. It's essential to check with local regulations or your dumpster rental company to ensure compliance and avoid fines.
